ABOUT THE TOWING VESSEL INSPECTION BUREAU

The Towing Vessel Inspection Bureau (TVIB) is a non-profit professional trade organization. TVIB has two classes of members: professionals directly involved with marine auditing and surveying, and other companies interested in enhancing the level of professionalism of marine auditing and surveying. TVIB's mission is to train and certify auditors and surveyors and provide the best possible audit and survey resources for use in conducting various types of marine related audits of safety management systems and surveys.

TVIB is an approved Third-Party Organization (TPO) for the Coast Guard in accordance with 46 Code of Federal Regulations (CFR) Part 139. TVIB is able to conduct audits of a Towing Safety Management System (TSMS) and the vessels to which the TSMS applies, to verify a company's compliance with the applicable sections of 46 CFR Subchapter M; issue TSMS certificates to an owner or managing operator who is in compliance with 46 CFR Part 138; conduct surveys of towing vessels to verify compliance with Subchapter M; and issue survey reports detailing the results of surveys carried out in compliance with 46 CFR Part 137.

TVIB appreciates your interest in becoming a part of our organization. This document will provide information that explains membership in TVIB.
